Re: Fred Srock, Internet Scam Promoter

Dear Sir or Madam:

I am Bill E. Branscum, a Private Investigator employed by Oracle International, an investigative agency that I established following my career as a federal agent; I was a Special Agent, US Department of the Treasury and the investigative activities of this Agency focus almost exclusively on financial crimes, securities issues, frauds and scams.

This correspondence is intended to make the Commission aware of Fred R. Srock, a notorious promoter of pyramid scheme investment scams promulgated via the Internet. I have taken the liberty of attaching an Affidavit in support of this Complaint. The facts, circumstances, identities of those victims who chose to come forward, their contact information, and the specific violations that I wish to allege are fully set forth therein.

The acts and practices alleged in this Complaint have affected commerce, as "commerce" is defined in Section 4 of the Federal Trade Commission Act 15 U.S.C. § 44 and they constitute unfair or deceptive acts or practices, and the making of false advertisements, in or affecting, commerce in violation of Section 5(a) of the FTC Act, 15 U.S.C. §45(a).

Thank you for your time and consideration

Cordially,

Oracle International, P.A.

Bill E. Branscum
