Wondering if a report is missing? We DO NOT remove reports from our database. However, as the leading consumer advocacy website, our technology is being continually upgraded to handle the volume of searches from consumers, the media, the authorities and millions of others from around the world. While we are always in the process of upgrading, our search results may not return all reports. This is only temporary and intermittent. If you are an attorney helping victims, the media, or law-enforcement, please contact us to have us run a complete database search to help your case or story.
