15 **DEFENDANTS**

16 6. Defendant Freedom Foreclosure Prevention Services, LLC ("Freedom
17 Foreclosure" or "FFPS") was an Arizona limited liability company which registered on
18 November 1, 2003 and terminated its articles of organization on January 26, 2009. In its
19 registration documents, Freedom Foreclosure listed its principal place of business as 1234 S.
20 Power Road, Mesa, Arizona 85206. Freedom Foreclosure also used a maildrop located at 70 S.
21 Val Vista Drive, Suite 3, #420, Gilbert, Arizona 85296. Freedom Foreclosure transacts or has
22 transacted business in this District and throughout the United States. At all times material to this
23 Complaint, acting alone or in concert with others, Freedom Foreclosure has advertised,
24 marketed, distributed, and/or sold business opportunities and mortgage loan modification
25 services to consumers throughout the United States.

1 7. Defendant Loss Mitigation Training Centers of America, LLC (“LMTCOA”) is
2 an Arizona limited liability company which registered in the state of Arizona on August 27,
3 2008, using a maildrop located at 70 S. Val Vista Drive, Suite 3, #420, Gilbert, Arizona 85296 as
4 its registered office address. In addition, LMTCOA directs correspondence to the physical
5 address of 1234 S. Power Road, Mesa, Arizona 85206. LMTCOA also does business as
6 Mastermind Consulting Group. LMTCOA transacts or has transacted business in this District
7 and throughout the United States. At all times material to this Complaint, acting alone or in
8 concert with others, LMTCOA has advertised, marketed, distributed, and/or sold business

12 Foreclosure until at least August 2008. Now, Segal is the sole managing member of LMTCOA.
13 At all times material to this Complaint, individually or in concert with others, Segal has
14 formulated, directed, controlled, had the authority to control, or participated in the acts and

COMMERCE

10. Defendants have maintained a substantial course of trade, in or affecting commerce, as “commerce” is defined in Section 4 of the FTC Act, 15 U.S.C. § 44.

DEFENDANTS’ BUSINESS PRACTICES

11. From November 2003 until January 2009, Freedom Foreclosure marketed and sold “loss mitigation services” and “loss mitigation consultant” business opportunities (referred to hereinafter as “loan modification services” and “loan modification consultant business opportunities”) to consumers throughout the United States. “Loss mitigation” refers to a process of attempting to prevent foreclosure by negotiating with a consumer’s mortgage lender to secure a modification of a consumer’s mortgage payment or loan terms. From approximately January 2009 until the present, LMTCOA has sold nearly identical loan modification consultant business opportunities to consumers throughout the United States.

12. From November 2003 until January 2009, Freedom Foreclosure, Segal, and Workman (“Freedom Foreclosure Defendants”) marketed and sold mortgage loan modification services to homeowners at risk of foreclosure, claiming that they could save homes from foreclosure in 97 percent of cases. Freedom Foreclosure Defendants also claimed to offer a “100% money-back guarantee” if they failed to obtain successful loan modifications for homeowners.

13. In truth and in fact, most homeowners who have applied for Freedom Foreclosure Defendants’ loss mitigation services received no loan modification and no refund.

14. During the same time period, Freedom Foreclosure Defendants marketed and sold business opportunities in which purchasers become “consultants” and earn money by referring homeowners to Defendants for loan modification services. Freedom Foreclosure Defendants routinely claimed that consultants would earn \$10,000 monthly, while saving consumers’ homes from foreclosure.

1 15. In truth and in fact, no consultant earned \$10,000 per month from Freedom
2 Foreclosure Defendants' loan modification consultant business opportunities. In fact, most
3 consultants earned far less income and many earned nothing at all.

4 16. In late 2008, Freedom Foreclosure stopped soliciting new consultants and
5 homeowners. Around the same time, Segal began using Loss Mitigation Training Center of
6 America ("LMTCOA") to solicit new purchasers of a loan modification business opportunity,
7 boasting that their consultants could earn as much as \$2,000 to \$6,000 per week from their loan
8 modification consultant business opportunity.

9 17. Freedom Foreclosure and Loss Mitigation Training Center of America have the
10 same principal and use the same addresses and same web site URLs. In addition, while winding
11 down its operations, Freedom Foreclosure's main phone number referred callers to a phone
12 number associated with Segal and LMTCOA. Segal regularly sends emails to former Freedom
13 Foreclosure consultants trying to recruit them to become LMTCOA consultants.

14 **Misrepresentations to Homeowners by Freedom Foreclosure Defendants**

15 18. Freedom Foreclosure Defendants lured homeowners with promises of 97% success
16 rates in saving homes from foreclosure and a 100% money-back guarantee. Homeowners usually
17 found Freedom Foreclosure Defendants' loan modification service either through Internet
18 searches or through referrals from family, friends, or other mortgage brokers. Once a homeowner
19 called or emailed Freedom Foreclosure Defendants, one of their consultants collected the
20 homeowner's financial information and an upfront fee, equivalent to one month's mortgage
21 payment. After forwarding the fee and documents to Freedom Foreclosure Defendants, a
22 consultant's responsibilities ended and Freedom Foreclosure Defendants were supposed to
23 negotiate directly with the homeowner's lender to secure a loan modification.

24 19. In truth and in fact, in numerous instances, Freedom Foreclosure Defendants failed
25 to secure loan modifications and failed to provide refunds.

1 20. On their web sites, Freedom Foreclosure Defendants routinely claimed that they
2 successfully negotiated loan modifications in virtually all cases. For instance, on their web site
3 10kpermonth.net, Freedom Foreclosure Defendants claimed a “97% success rate in saving homes
4 from foreclosure.”

5 21. At Freedom Foreclosure’s web site usforeclosurepro.com, Freedom Foreclosure
6 Defendants stated that an “average timeline for a typical negotiation” at Freedom Foreclosure
7 included an initial contact “within 24 hours,” contact with a lender decision “within 72 hours,”
8 and “usually most successful negotiations are completed within 6 weeks.” In fact, Freedom
9 Foreclosure Defendants failed to act on homeowners’ cases for longer than four to six weeks,
10 without completing – or, in some cases, even starting – negotiations with the lender. To make
11 matters worse, Freedom Foreclosure Defendants routinely failed to return consumers’ repeated
12 telephone calls, even when homeowners were on the brink of foreclosure.

13 22. Contrary to their representations to consumers, Freedom Foreclosure Defendants
14 failed to prevent mortgage foreclosure or save consumers’ homes from foreclosure in 97% of
15 cases. In fact, Freedom Foreclosure Defendants completed loan modifications in only about 6%
16 of cases.
17

18 23. Many homeowners avoided foreclosure only through their own efforts and not
19 through any service provided by Freedom Foreclosure Defendants. In numerous instances,
20 consumers learned from their lenders that Freedom Foreclosure Defendants had not even
21 contacted the lender or had made only minimal, non-substantive contacts with the lender. In the
22 end, as a result of Freedom Foreclosure Defendants’ delays in negotiations with consumers’
23 lenders, and because of additional late fees, penalties, and other costs that accrue during such
24 delays, many consumers who kept their homes were harmed by having purchased Freedom
25 Foreclosure Defendants’ services.
26

27 24. When a homeowner signed a contract with Freedom Foreclosure Defendants, the
28

1 contract specified that there was a “100% money-back guarantee” if Freedom Foreclosure failed
2 to negotiate a solution for the homeowner.

3 25. Freedom Foreclosure Defendants’ contracts instructed homeowners not to contact
4 their lender directly or else the homeowners would void their contract and the money-back
5 guarantee. In some cases, Freedom Foreclosure Defendants’ consultants also told homeowners to
6 stop making their mortgage payments while Freedom Foreclosure Defendants were working on
7 their cases. In many instances, such instructions further harmed consumers.

8 26. In many cases where Freedom Foreclosure Defendants failed to negotiate a
9 solution, Freedom Foreclosure Defendants simply denied or ignored refund requests from
10 homeowners.
11

12 **Misrepresentations Regarding Earning Potential by All Defendants**

13 27. Since November 2003, Defendants have lured prospective consultants through
14 their web sites and Internet ads with promises of significant earnings potential.

15 28. From November 2003 until January 2009, Freedom Foreclosure Defendants
16 claimed that consultants could earn \$10,000 per month by saving homes from foreclosure.
17 Freedom Foreclosure Defendants offered their loan modification consultant business opportunity
18 on a variety of their own web sites including www.freedomforeclosure.com,
19 www.ffpsloannetwork.com, and www.10kpermonth.net.
20

21 29. Freedom Foreclosure Defendants also marketed their business opportunity through
22 classified ads in *USA Today*, *The Arizona Republic*, and smaller local franchise/business
23 opportunity publications, such as South Dakota’s *Coteau Shopper*.

24 30. Freedom Foreclosure Defendants’ marketing materials also claimed or implied that
25 consultants would earn significant income from the business opportunity. For example, typical
26 Freedom Foreclosure marketing materials at ffpsloannetwork.com stated: “Earn \$500-\$5,000
27 Monthly Part Time” and advertised a “Business Plan to Make \$10,000+ Per Month.” The
28

1 domain name of the web site itself, "10kpermonth," suggested that consultants would earn
2 \$10,000 per month from the opportunity.

3 31. Until at least in or around June 2008, Freedom Foreclosure Defendants' web site
4 10kpermonth.com regularly posted a large font banner headline at the top of the page stating,
5 "Are you ready for a \$ix-figure income?" Similarly, Defendants' web site 10kpermonth.net
6 stated, "Your earning potential could exceed 5-6 figures in your first year."

7 32. Freedom Foreclosure's web site requested interested potential consultants to
8 submit their contact information online. Other consumers were recruited into the consultant
9 opportunity by friends, acquaintances, or former colleagues who are already consultants.
10

11 33. After submitting their contact information online, prospective consultants then
12 received a return call and/or email from an established consultant. The established consultant
13 told the consumer about the business opportunity, often emphasizing the ability to earn a large
14 income from becoming a loss mitigation consultant.

15 34. After paying a fee of approximately \$500 to \$1,500 for the Freedom Foreclosure
16 consultant opportunity, prospective consultants were required to attend four webinars and pass a
17 written test. Then, Freedom Foreclosure Defendants provided them with a loss mitigation
18 certificate, signed by Jeff Segal, and access to the members-only web site with leads and sample
19 marketing materials.
20

21 35. A certified Freedom Foreclosure consultant was eligible to earn money in two
22 ways: (1) for each homeowner recruited, the consultant would receive 40% of the homeowner's
23 upfront fee, if and only if the defendants completed a loan modification; and/or (2) for each new
24 consultant recruited, the recruiting consultant would receive between 40% to 50% of that
25 consultant's training fee.

26 36. On the members-only web site, Freedom Foreclosure Defendants provided
27 consultants with a business plan entitled "Business Plan to Potentially Earn \$10,000+ Per
28

1 Month.”

2 37. Freedom Foreclosure Defendants’ business plan also included the following
3 statements purporting to disclaim the earnings claims contained within the document:

4 Disclaimer: Freedom Foreclosure Prevention Services, LLC (FFPS) makes no
5 guarantees regarding income; FFPS will teach you everything required to earn an
6 income as a Certified Loss Mitigation Consultant. Applying that education is up to
7 you. You COULD earn nothing! With that said, we have documented proof of
8 Consultants who have applied the education received here and are earning \$400+ per
9 hour or more using our proven system.

10 Remember this potential spreadsheet is based on a minimum loss mitigation case fee of
11 only \$1,250; your income could be higher.

12 and

13 Closing ratios are conservative. Your results may be higher; FFPS cannot guarantee
14 what your results will be.

15 38. Furthermore, the “Frequently Asked Questions” section on Freedom Foreclosure
16 Defendants’ web site, 10kpermonth.net, asks the question, “How much can I earn?” and answers,
17 “You could earn five to six figures per year, or more.”

18 39. After shutting down Freedom Foreclosure, Segal continues to make similar
19 representations, using a similar business model with LMTCOA. LMTCOA, doing business as
20 Mastermind Consulting Group, now markets loss mitigation business opportunities at
21 www.10kpermonth.com and www.lossmitigationguru.info. LMTCOA lures prospective
22 consultants claiming that they can earn \$2,000 to \$6,000 per week by helping save homes from
23 foreclosure.

24 40. On a recent version of its website 10kpermonth.com, LMTCOA claims to offer a
25 “passport to wealth” with the ability to “earn \$2,000-\$6,000 weekly!” and commissions of
26 “\$1,000-\$3,000 Per Sale, Paid Daily!” Thus, LMTCOA is now advertising earnings potential
27 even higher than Freedom Foreclosure – as high as \$24,000 per month.

28 41. After the initial pitch, prospective LMTCOA consultants follow a similar

1 business model to Freedom Foreclosure consultants. Prospective consultants register online for
2 webinars and pay a fee for the opportunity to submit homeowners for loss mitigation services.
3 Like Freedom Foreclosure consultants, LMTCOA consultants can then earn money both by
4 referring homeowners and by recruiting new consultants.

5 42. In fact, numerous consultants fail to earn significant income from Defendants'
6 loan modification consultant opportunities.

7 **VIOLATIONS OF THE FTC ACT**

8 43. Section 5(a) of the FTC Act, 15 U.S.C. § 45(a), prohibits "unfair or deceptive acts
9 or practices in or affecting commerce."
10

11 44. Misrepresentations or deceptive omissions of material fact constitute deceptive
12 acts or practices prohibited by Section 5(a) of the FTC Act.

13 **COUNT I**

14 **Misrepresentations Regarding Loan Modification Success**

15 46. In numerous instances, Freedom Foreclosure Defendants represented to
16 consumers, expressly or by implication, that they would obtain a mortgage loan modification or
17 stop foreclosure in all or virtually all instances.

18 47. In truth and in fact, Freedom Foreclosure Defendants did not obtain a mortgage
19 loan modification or stop foreclosure in all or virtually all instances.

20 48. Therefore, Freedom Foreclosure Defendants' representation as set forth in
21 Paragraph 46 is false and misleading and constitutes a deceptive act or practice in violation of
22 Section 5(a) of the FTC Act, 15 U.S.C. § 45(a).
23

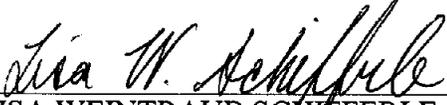

24
25
26 **COUNT II**

27 **Misrepresentations Regarding Refunds**

1 additional relief as the Court may determine to be just and proper.

2 Respectfully submitted,
